UNIVERSAL INJECTOR NOZZLE PULLER SET IN A PLASTIC STORAGE CASE

Universally applicable to Bosch, Denso and Siemens/VDO injector nozzles with high-pressure fuel line connector having an M12x1.5 (angled 30°) or M14x1.5 (angled 30° and 45° respectively) external thread as well as to injector nozzles with detachable high-pressure fuel line connector having an M12x1 (angled 20° and 45° respectively) or M14x1.5 (angled 45°) internal thread. For example, fitted to: BMW, Mercedes, VW-Audi, Seat, Skoda, Chevrolet, Chrysler, Citroën, Fiat, Ford, Hyundai, Iveco, Jaguar, Lancia, Opel/Vauxhall, PSA, Peugeot, Renault, Saab, Suzuki, Toyota.

The kit allows for the quick and easy extraction of tight-fitting or seized injector nozzles. It is designed to be used in conjunction with a slide hammer puller having an M18x2.5 retaining thread such as **KL-0369-4100** (1.5kg) or **KL-0049-300** (4.8kg) which are available as accessory. An indispensable tool set when removing the valve cover or replacing injector nozzles.

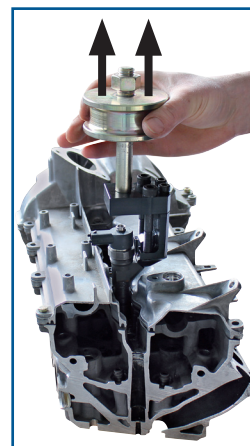

The modular design of the set allows the base plate to be combined universally with the respectively appropriate adaptor plate and special bolt, thereby creating specific injector nozzle pullers that cover virtually all injector nozzles currently available on the market.

Thanks to the special bolts that come with the set, the puller can be fixed via the high-pressure fuel line connector. This eliminates the need for opening the injector nozzle. The special design of the tool also ensures optimum and damage-free power transmission.

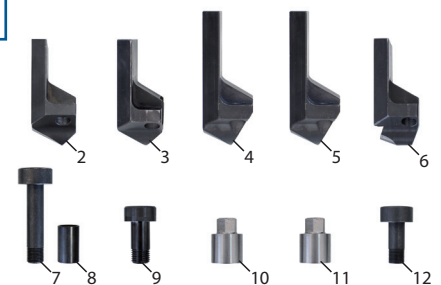

Scope of Delivery:

Pos.	Part No.	Description	Qty
1	KL-0186-9000	Injector Nozzle Puller Base Plate, M18x2.5	1
1.1	KL-0186-9000-1	Injector Nozzle Puller Base Plate, M18x2.5	1
1.2	KL-0186-9000-2	Cheese Head Screw, M8x35	2
1.3	KL-0186-9000-3	Cheese Head Screw, M10x75	2
1.4	KL-0186-9000-4	Cheese Head Screw, M10x90	2
2	KL-0186-9001-1	Adaptor Plate, M12x1 / 45°	1
3	KL-0186-9101-1	Adaptor Plate, M14x1.5 / 45°	1
4	KL-0186-9201-1	Adaptor Plate, Denso, M12x1.5 / 30°	1
5	KL-0186-9301-1	Adaptor Plate, Denso, M14x1.5 / 30°	1
6	KL-0186-9401-1	Adaptor Plate, M12x1 / 20°	1
7	KL-0186-9001-3	Special Bolt, long, M12x1	1
8	KL-0186-9001-4	Sleeve	1
9	KL-0186-9101-2	Special Bolt, M14x1.5	1
10	KL-0186-9201-2	Threaded Sleeve, M12x1.5	1
11	KL-0186-9301-2	Threaded Sleeve, M14x1.5	1
12	KL-0186-9001-2	Special Bolt, M12x1	1
-	KL-0186-9090	Plastic Storage Case	1
